HOW TO USE THIS LIST + EMAIL TEMPLATE

Step 1	Pick your target country first Start with Netherlands or Ireland — fastest visa, most Indian hires. Germany for highest volume. Switzerland for highest salary.

Step 3	Apply on careers page + cold email simultaneously Find the Talent Acquisition Manager or HR Business Partner on LinkedIn. Email them directly using the template below on the SAME day you apply online.
Step 4	Mention visa in email subject line Don't hide it. Say 'EU Blue Card / HSM Visa eligible' upfront. It removes their biggest fear immediately and shows you've done your homework.
Step 5	Follow up once after 7 days One polite follow-up email doubles your response rate. More than one follow-up is spam. Keep it exactly one.
